

TAKING ACTION WITH KARRINJARLA MUWAJARRI

Some simple things you can do:

- **Visit our website**, read the Yuendumu Community Statement of Demands May 2022 and check out our growing range of campaign resources here:
karrinjarlamuwarri.org/campaign-resources
- **Print off the statement** and take it to your workplace or local organisations – like trade unions, land councils, First Nations service providers, human rights groups – for endorsement and encourage them to take action! Over 20 organisations have endorsed so far including Amnesty International, the Human Rights Law Centre, ANTaR, Australian Services Union SA/NT, Sisters Inside and more.
- **Organise a fundraising event** and/or share our fundraising page to build support for First Nations families in the central desert who are wanting to organise or take part in Karrinjarla Muwarri actions.
- **Organise and/or promote events** for the National Day of Action on 18 June 2022 connecting with local mob, and centering the struggles at your local level. We have lots of resources on the website to help with this.
- **Screen print t-shirts!** You can find instructions and design files on our campaign resources webpage. We would love all mob to have t-shirts free of charge and for non-Aboriginal supporters to pay it forward on a sliding scale of \$30-\$50.
- **Share the story of Karrinjarla Muwarri** in your community, with your families and other networks, on social media platforms and by word of mouth. Re-post our photos, videos and updates and tag us in any expressions of solidarity and support.

Any other ideas, let us know!
